

# Piano ピアノ

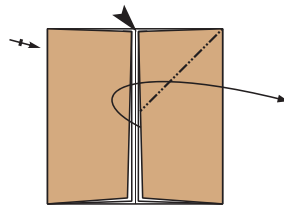

**1** Begin with the white side facing up. Fold in half, side-to-side. Unfold.

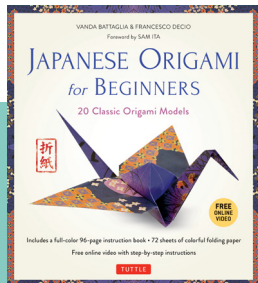

**2** Fold in half, side-to-side, in the other direction.

**3** Fold both sides to meet in the center.

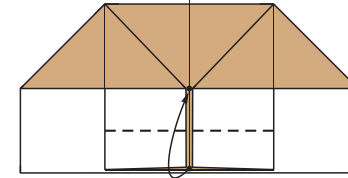

**4** The completed step, with image enlarged. Make a squash fold on the top of each side, by inserting your finger into the flap to open it, and pushing down on the top.

## BEGINNER'S LEVEL

**5** Fold the bottom of the top flap up to where the shaded side of the paper begins.

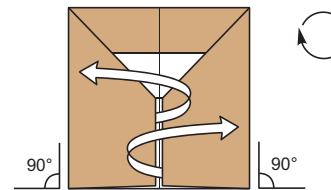

**6** Fold the folded edge of the top flap up, so that it covers part of the shaded region.

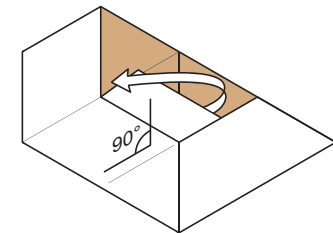

**7** Fold the right and left sides in, on existing creases, to meet at the center.

3D

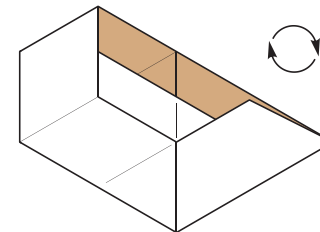

**8** Lift both sides so that they stand upright from the surface, making the model three-dimensional.

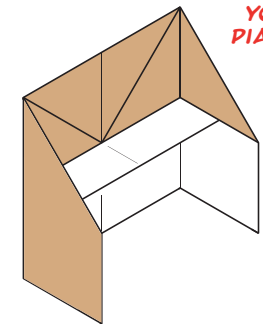

**9** The completed step from another angle. Lift the flap made in step 6 to stand upright.

**DRAW ON YOUR OWN PIANO KEYS!**

**10** The completed step. Stand the model up.

**11** The completed Piano.
