“Books to Span the East and West”

Tuttle Publishing was founded in 1832 in the small New England town of Rutland, Vermont (USA). Our core values remain as strong today as they were then—to publish best-in-class books which bring people together one page at a time. In 1948, we established a publishing outpost in Japan—and Tuttle is now a leader in publishing English-language books about the arts, languages and cultures of Asia. The world has become a much smaller place today and Asia’s economic and cultural influence has grown. Yet the need for meaningful dialogue and information about this diverse region has never been greater. Over the past seven decades, Tuttle has published thousands of books on subjects ranging from martial arts and paper crafts to language learning and literature—and our talented authors, illustrators, designers and photographers have won many prestigious awards. We welcome you to explore the wealth of information available on Asia at www.tuttlepublishing.com.

Stickers

Japanese Yokai Sticker Book

Compiled by Tuttle Studio

Japanese yokai come in every imaginable shape, color and size. The 200 colorful stickers in this book feature 32 different types of yokai, with 5 to 10 different images of each type. These decorative stickers can be peeled off and stuck onto notebooks, journals and posters—anywhere you like. The popular yokai in this book include:

- **Amabie**—Mermaid-like creatures with long hair, three legs and a beak. During the COVID-19 pandemic, they gained renewed popularity in Japan as a symbol of protection
- **Kasaobake**—Whimsical yokai depicted as a one-eyed, one-legged umbrella. This creature is a *tsukumogami* (everyday

objects that come to life), and is known for playing harmless pranks on people

- **Rokurokubi**—Spooky yokai known for their ability to elongate their necks to incredible lengths, typically at night while maintaining a human appearance by day
- **Kappa**—A water-dwelling creature from Japanese folklore, depicted as a child-sized being with a beak, webbed hands, and a dish-like depression on its head that holds water
- **Chochinobake**—A haunted paper lantern with a single eye and a long, lolling tongue. As part of the *tsukumogami* category, it is believed to come to life after a hundred years
- Plus dozens of other amazing yokai!

Tuttle Studio draws inspiration from the modern and traditional cultures of Asia to create journals, stationery, jigsaw puzzles, gift wrapping products and origami folding paper. It is a division of Tuttle Publishing, a leading publisher of books on the languages, history, art and cultures of Asia.

Hokusai Prints Sticker Book

Illustrated by Katsushika Hokusai

Compiled by Tuttle Studio

The 200 vibrant stickers in this book span the full range of Hokusai's subjects—from serene landscapes and intricate nature studies to lively scenes of Kabuki actors, samurai in battle and yokai monsters and demons. These high-quality stickers are perfect for decorating journals, cards and sending messages to loved ones.

Hokusai's works are celebrated for their dynamic compositions, vibrant colors and innovative use of perspective. His most famous series, "Thirty-Six Views of Mount Fuji," includes the iconic "Great Wave off

Kanagawa," showcasing his mastery in capturing the power and beauty of nature. Blending traditional Japanese techniques with Western influences, Hokusai's art remains influential and admired worldwide.

The dramatic Hokusai subjects included in this deluxe hardcover volume are:

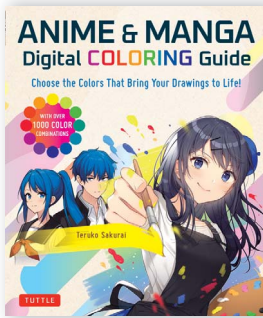

- *Thirty-Six Views of Mount Fuji*
- *Famous Places in Japan*
- *Snow, the Moon and Flowers*
- *Samurai Warriors*
- *Ghosts, Demons and Monsters*
- *Plus many more!*

Katsushika Hokusai was deeply dedicated to his craft, leading a life marked by continuous exploration and reinvention. Born in 1760 in Edo (now Tokyo), he began his journey as an apprentice to Katsukawa Shunsho, where he mastered the ukiyo-e style. Throughout his career, he created over 30,000 works ranging from woodblock prints to sketches and books. He passed away in 1849, but his legacy endures, influencing countless artists globally.
